

Together we are... **Friendly/whakahoahoa**

[Pronunciation of whakahoahoa](#)

Time: 15-20 minutes

Learning Intentions:

We are learning to define the word 'friendly'

We are learning to understand the importance of being friendly

Success Criteria:

- Define in your own words what 'friendly' means
- Identify examples of what it means to be 'friendly'
- Discuss where we would see people being 'friendly' at Waterview

Learning Sequence:

Lesson 1- Being friendly in the hubs

Outcome of the lesson: A list of ways the children can be friendly in the hubs

1. Discuss new reward system and the four core values
2. Provide definition of what friendly means. Introduce te reo word.
3. Brainstorm what friendship means to the children and how we can be friendly at school- whole class/small group
4. Role play being friendly and unfriendly, discussing what they noticed after each group has performed
5. Create a list of actions that could be rewarded with the PB4L system

Lesson 2- Being friendly in the playground

Outcome of the lesson: Understanding why learning about being friendly is important and how we can display it in the playground

1. Discuss why the children are learning about being friendly and why it is important

Example:

- to create a safe environment where learning can occur
 - to create a positive atmosphere
 - to be a successful human being, developing social skills for when they are older
 - how friendship adds to your quality of life
 - friends help to support you through tough times
2. Discuss problem solving solutions for when friendships break down or have issues
 3. Role play being unfriendly and friendly (the teacher can model this if needed) in the playground and show how to problem solve
 4. Add to the list of actions that could be rewarded from the previous lesson

Lesson 3- Being friendly outside of school

Outcome of the lesson

1. Discuss all the areas you will be able to show being friendly- at home, park, skate park, shopping malls etc

2. Discuss what this would look like

★ Continue to teach this value explicitly if needed and incorporate it into everyday practice

Exciting ideas to teach this value:

Send home parent activity for family members to fill out with their child on how they show being friendly

Compliment circle/compliment box

Trust walk

Create a poster on an Ipad

Ipad apps

Create a video displaying the value

Roleplay

Puppets

Discussing feelings- displaying feelings around the room. Create a feelings chart.

Home activity- how do our whanau show friendship within their family
